

The Lincoln County Treasurer's office is asking for the public's assistance in helping us to serve them as best we can at this time. The amount of phone calls coming in is overwhelming. Please utilize our drop box on the north end of the Sheriff's parking lot, the postal service as well as our online services at this time for payments. We have also provided the information for what you need to include for us to process your renewals, new registrations, new purchases as well as the 1st half of Real Estate taxes that are due by April 30th and what your options are to make your payments. Please help us help you at this time and utilize these services so we are able to work all the mail coming in rather than answering phone calls.
