

## Lincoln County – TextMyGov Announcement

Lincoln County is pleased to announce the launch of TextMyGov text alerts, which is a new text messaging service that will provide Lincoln County residents with important information and updates to keep citizens informed.

Residents will receive text message notifications on things such as **Road Closures**, **Upcoming Deadlines**, **Registered Voter Information**, and **other relevant items**. Lincoln County will officially launch the new text alert system during the week of September 25th. You may receive a text notification from **91896**. This will be a legitimate text from Lincoln County, Nebraska. Users can opt-out from all texts at any time by texting **STOP**.

If you did not receive an initial text message, you can choose to opt-in by texting **"LINCOLNCO"** to the number **91896**. After sending an initial keyword, users will be asked to reply to the confirmation with a **"YES"** to opt-in for notifications.

Lincoln County is excited for this new technology to keep Lincoln County residents informed. Other governmental entities across the country are utilizing this system with great success. In the upcoming months, other features will be available to find information and report issues to your local county government offices.

Msg & data rates may apply. Check with your carrier for details.
