They were glad to hear the Nebraska Dept. of Transportation is involved with the application. There would be impact on rural and agricultural communities and there are gaps in the planning process that will need to be addressed.

Redfern stated there are 1200 applicants and 25 grants will be awarded. There are other options that could be available if the RAISE grant is not successful. Grant applicants will be notified by June 27,2024 on application status.

Hear concerns from Elected Officials, Department Heads, or their representative.
